Great Plains Energy Incorporated (Great Plains Energy) and Kansas City Power & Light Company (KCP&L) (the Registrants) are separately filing this combined Current Report on Form 8-K (Report). Information contained herein relating to an individual Registrant is filed by such registrant on its own behalf. Each Registrant makes representations only as to information relating to itself.

**Item 8.01 Other Events**

On March 1, 2007, KCP&L filed a rate increase request with the Kansas Corporation Commission (KCC), requesting an additional approximate \$47 million in annual revenues, with approximately \$13 million of that amount treated for accounting purposes as an increase to KCP&L's depreciation reserve. KCP&L reached a negotiated settlement of its request with certain parties to the rate proceedings, and on September 12, 2007, filed with the Kansas Corporation Commission (KCC) a Joint Stipulation and Agreement (Agreement) containing the settlement. The filing of the Agreement was reported in the Current Report on Form 8-K filed by the Registrants on September 13, 2007, and the Agreement was filed as Exhibit 10.2.1 to the Registrants' Quarterly Report on Form 10-Q for the period ended September 30, 2007.

On November 20, 2007, the KCC issued its order (Order) approving the Agreement in its entirety, including the stipulated \$28 million increase in annual base revenues effective January 1, 2008, with \$11 million of that amount treated for accounting purposes as an increase to KCP&L's depreciation reserve, and the stipulated Energy Cost Adjustment Clause (ECA) tariff which provides for recovery of KCP&L's Kansas jurisdictional fuel and purchased power expense offset by off-system sales margins. The actual revenue increase to be realized by KCP&L may be more or less than the base revenue increase, due to the

recovery of actual fuel expense (offset by off-system sales margins) through the ECA. The preceding discussion is not complete and is qualified in its entirety by reference to the Agreement. Any party to the proceedings may file a petition for reconsideration of the order.
